

All Saints CEVA Primary School and Nursery

Committees and Responsibilities

Faith Focus Group

The Faith Focus group meets termly and focuses on upholding the Christian ethos of the school. Its members consist of all six foundation governors and the R.E subject lead. The committee monitors religious education, collective worship and SMSC and the schools progress in line with the Statutory inspections of Anglican and Methodist Schools. All Church of England schools are required to have SIAMS inspection from the diocese. The principal objective of the SIAMS inspection is to evaluate the distinctiveness and effectiveness of the school as a Church school. The Faith Focus group performs regular self-evaluation of the school in preparation for inspection and also works with the Vicar of All Saints Church and members of the church congregation who volunteer their time to assist with this self-evaluation.

Pay & Performance Committee

The Pay and Performance committee meet once a year to hear pay recommendations following performance agreements.
