

**The vision for P.E. at All Saints CEVA Primary School & Nursery is.....**

- For all children to experience excellent physical education, school sport and physical activity that will lead to life-long participation.
- For all children to be given leadership opportunities, through the delivery of high quality P.E. and school sports.
- For all children to understand the importance of maintaining a healthy and active lifestyle.

### **What is PE and Sport Premium?**

In 2013, the government pledged to provide additional funding to primary schools to improve PE and sport provisions. The funding is provided by the Departments for Education, Health and Culture, and Media and Sport.

### **What is PE and Sports Premium for?**

The funding is provided directly to primary schools and must only be spent on improving the quality of sport and PE, for all school children.

### **How much funding to Primary Schools receive?**

For the 2017/18 academic year, each school will receive £16,000, plus an additional payment of £10 per pupil. The money can only be spent on sport and PE provisions in schools.

## **How are we obliged to spend the funding?**

We are required to use the funding to make additional and sustainable improvements to the quality of PE and sport we offer. The government lists five key indicators for which schools should expect to see an improvement.

These are:

- the engagement of all pupils in regular physical activity, which amounts to at least 30 minutes per day whilst in school, as recommended by the Chief Medical Officer;
- the profile of PE and sport is raised across the school as a tool for whole-school improvement;
- increased confidence, knowledge and skills of all staff in teaching PE and sport;
- broader experience of a range of sports and activities offered to all pupils;
- increased participation in competitive sport.

Ofsted assesses how primary schools use the primary PE and sport premium. They measure its impact on pupil outcomes, and how effectively governors hold school leaders to account for this.

To guide us in our use of the funding, the government suggests ways in which we can effectively use the money. These include PE and sport focused staff training and development; hiring qualified sports coaches; offering activities/school clubs targeted at less active children; entering more tournaments and competitions; and embedding physical activity into our school day as much as possible.

## **PE at All Saints**

At All Saints we value the benefits of PE and sport, and encourages our children to have healthy, active lifestyles. In our experience, an innovative, varied PE curriculum, and extra-curricular opportunities, have a positive influence on the concentration, attitude, and academic achievement of all our children.

The whole school follows the Real PE scheme. Real PE focuses on developing the foundation skills to a high level rather than a sports specific approach. We believe this gives the children the ability to succeed across many sports instead of just specialising in just one or two.

All classes receive 2 hours of PE each week. Key stage one receive 2 Real PE lessons and Key stage two have 1 Real PE and 1 sport specific lesson each week.

Physical Education is a vital part of our children's education and we pride ourselves in the way we help to develop their knowledge of a healthy lifestyle and their formation of positive attitudes.

### **What improvements has the Sports Premium Funding allowed to make?**

Since 2016 we have:

- Retrained all members of staff with the Real PE scheme. This has improved the standard of PE across all levels of the school. There has also been a noticeable difference in the confidence of all teachers in delivering the subject.
- Purchased a large amount on brand new, high quality equipment. This has led to us being able to offer different sports and activities during the school day and through various sports clubs.
- Taken a large amount of children to outside competitions. By entering the School Games Programme we have managed to enter over 15 competitions each year. It has also seen achieve our School Games Gold award.
- Worked with our local secondary school to deliver a shared leadership programme. This has allowed both schools to develop young leaders at various age groups.

Academic Year 2017-18						
Desired Outcome	Chosen action/approach	Planned Funding	Evidence and rationale for this choice	Monitoring approach	Staff Lead	Review date
Provide children with inspiration to maintain health and fitness	Book inspirational ex-footballer and paralympian Alastair Patrick-Hesleton for a workshop day	£650	To give the children extra motivation to continue PE & exercise after school life.  To show children that there are no barriers that can't be overcome to achieve your dreams.	Feedback from the children after the event	Mr Chambers	
To have high quality	Purchase equipment <ul style="list-style-type: none"> <li>Netball posts</li> </ul>	£1340	This will continue to raise the profile of PE	Multiple sources used to obtain	Mr Chambers	Ongoing

resources that facilitate learning, skill development and a broader sporting knowledge	<ul style="list-style-type: none"> <li>• Archery set</li> <li>• New age curling set</li> </ul>		by giving the children access to a greater array of sporting opportunities.	best price. Regular equipment checks		
To provide the best teaching and coaching in specialised areas of PE	Use outside coaches to deliver <ul style="list-style-type: none"> <li>• Chance to Shine cricket</li> <li>• Dance classes</li> </ul>	£2600	The children will develop their skills quicker under specialised coaches and can be used to upskill the staff for a later date.	Lesson observations	Mr Chambers	Summer 2018
Increase activity throughout the school day	Introduce a class v class competition to complete the most steps in a day. Purchase pedometers	£490	The children will be more aware of how active/inactive they are. The competitive nature will provide some motivation to exercise	Steps recorded each day and winning class awarded prize each Friday	Mr Chambers	Ongoing

Give the children the chance to experience PE in a different environment through our SMART programme.	Plan with School Sports Co-ordinator at Wrenn Academy(Mr C Pyle) a programme of activity and take children off site every fortnight.	£300 (SSCo programme)	Increase in students' engagement within sport Increased knowledge on healthy living Student development in practical sports skills; Orienteering, Table Tennis, Volleyball, Multi-skills Development of students fundamental movement skills	Feedback from the children after completing a six lesson programme.	Mr Chambers & Mr Pyle	Summer 2018
Pupils to develop leadership roles within sports	Establish a 'Sports Squad' leadership group and provide training.	£125	Should provide an aspirational route for children who enjoy PE.	Sports Squad meeting	Mr Chambers	Ongoing
To embed physical activity into the school day through active	Introduce a 'Change for Life' lunchtime club	£3219	Targeted children will be provided the opportunity to increase their activity levels. Behaviour	Session observations	Pacesetter s PE providers	Summer 2018

lunchtimes			management at lunchtimes should be easier			
Give children access to local and national competitive tournaments	Enter the school games programme  Transport to tournaments	£195 £1000	Children giving a chance to perform at higher levels and experience the highs and lows of competitive sport	Data on all competitions recorded for School Games Mark	Mr Chambers	Summer 2018
<b>Total Budgeted Cost</b>		<b>£9919</b>
